

Insurance Services

As a leading provider of audit and advisory services in Bermuda, Mazars provides the resources, experience and global expertise to help you adapt in a dynamically changing business landscape.

Volatility and a shifting regulatory landscape characterize today's insurance sector. To be successful, firms must team with seasoned advisors with a track record of creating exceptional partnerships.

How Mazars Helps

Mazars's Insurance Group offers clients clarity and insight when facing challenges. Backed by decades of industry experience, our tailored service and hands-on approach create value and a strategic advantage for firms of all sizes. We provide compliance, consulting, tax and advisory services to U.S. and International property/casualty companies, life/health companies, reinsurers, captives, alternative risk structures, MGAs, MGUs, TPAs, insureds and regulators. As your business advisor, we provide client-centered solutions, and we add value by staying close to your needs and concerns.
