## Kriti Taukoordass

Thank you for taking the time to consider Forvis Mazars as the first step in your professional career. With many choices available to you, we would like to take this opportunity to outline why Forvis Mazars could be the right fit for you.

Here at Forvis Mazars, you will be working with motivated and talented people across our multi disciplinary teams.

We provide excellent training to our teams. Technical skills are a strong focus, but we also stress the importance of your development in other ways including an understanding of business and the needs of our clients.

Our graduate and internship programmes are structured in a way that gives you exposure to clients from day one and responsibility at a very early stage. It is a supportive yet challenging environment in which we encourage everyone to contribute. There is a strong team philosophy and a good work life balance, promoted through our many cultural, social and sporting events.

Sounds like the place for you? Take a look through the rest of the brochure and get a feel for what we do, how we operate and how you would fit in - then contact us.

# Our graduate programme

We are recruiting graduates to work and train with us in Audit & Assurance, Tax, Financial Advisory and Consulting, and Corporate Services. We'd love to hear from you. Visit [www.forvismazars.com/mu](http://www.forvismazars.com/mu)

## Careers

We offer long term careers and train our graduates to become rounded professionals and future Partners.

## Variety

You will experience different sectors, industries and service lines. Your days will be varied, challenging and rewarding.

## Responsibility

You will be given plenty of responsibility from day one but will be fully supported by the management team.

## Training

Our programme involves on the job and in house training including online training with U-learn.

## Mobility

Forvis Mazars has an excellent mobility programme offering staff the opportunity to work in Forvis Mazars' offices worldwide after completion of their graduate contracts.

## Culture

At Forvis Mazars, we have a down to earth attitude. We focus on working together to get the job done. Our staff enjoy an excellent rapport and culture.

## Audit & Assurance

**During your training in Forvis Mazars Audit & Assurance department, you will gain a vast array of experience across a wide variety of clients including privately owned businesses, large corporates and multinational organisations.**

From the outset of your training, your responsibilities will start to evolve – initially you will gain experience auditing some of the lower risk audit areas and as you progress you will become responsible for the most complex and high risk sections on an audit file and be pivotal to managing our client relationships and service delivery. The level of your responsibilities will be driven by your capability, your on the job performance and your motivation to succeed.

A key milestone will be when you are first given the opportunity to lead an engagement as an Audit Senior where you will be responsible for the development and execution of the overall audit strategy and get to coach/guide the more junior members of the team. At Forvis Mazars, we take pride in how closely our trainees work with the senior management team including Partners who support your development as a business professional, equipping you with the necessary skills to prepare you for the next steps in your career.

Training in audit will provide you with a real insight into how a business works and operates.

## Tax

**Forvis Mazars' Tax team provides a full range of tax services to its clients for both tax compliance and advisory in the areas of Corporate income tax, Income Tax, and VAT.**

The Tax team works with national and international clients, small and medium sized enterprises, private and publicly quoted companies and individuals to help them to structure their businesses and financial affairs in a tax efficient manner. It's not all about preparing tax returns. The team develop tailored ideas and solutions to bring added value to the client portfolio.

Our professionals also recommend how to structure a business and advise on a range of tax issues which makes for very interesting, diverse and challenging work.

# Financial Advisory and Consulting

**Forvis Mazars is a specialist advisory firm to medium sized and owner-managed businesses. Our multi-disciplinary team provide innovative and practical advice to business owners and stakeholders. We believe that the identification and understanding of the key issues relevant to each business is paramount to providing sound and sustainable commercial advice to our clients.**

The experience gained with Forvis Mazars will equip you with the technical skills and knowledge to become an excellent professional in your field. You will be working with other assistants, seniors and managers on all aspects of business advisory services from business planning to due diligence and transaction support services, business valuations, corporate finance, restructuring and insolvency services.

## **Sustainability**

Forvis Mazars also help companies address their sustainability strategies from design and embedding to reporting and assurance.

You will be joining a team of consultants who believe that good governance and social responsibility are not simply rooted in doing the right things, but that sustainability also brings performance benefits with it.

## Corporate services

**Forvis Mazars has a strong track record in helping businesses grow and internationalise. Our corporate services are flexible and scalable enabling our clients to react quickly to changes in their businesses and markets.**

By joining our corporate services team, you will be able to work with like minded professionals who are well versed in accounting and reporting, corporate secretarial, payroll & secondment services.

## Our internship programme

**From day one you are included in training and are given similar responsibilities to our 1st year Assistants – photocopying is not a core part of your time with us!**
