Updated Package II of Fiscal Measures

On November 18, 2025, the final form of the Law on establishing the measures to recover and streamline public resources and to amend and supplement certain legislative acts was approved by the Parliament and was sent for promulgation.

The amendments referred only to the aspects identified as unconstitutional following the analysis of the Constitutional Court, respectively the introduction of polygraph tests for employees of National Agency for Fiscal Administration, Romanian Customs Authority and the National Gambling Office.

In this respect, please refer to the [Tax Alert](#) published in September for the most relevant tax aspects included in the proposal.
