Package II of Fiscal Measures approved by the CCR

The Law on establishing the measures to recover and streamline public resources and to amend and supplement certain legislative acts has been given the green light by the Constitutional Court of Romania (“CCR”) and is set to be promulgated.

On Wednesday, December 10, the CCR rejected the objection of unconstitutionality regarding the Law on measures to recover and streamline public resources. The Law will now be sent to the President for promulgation and will subsequently be published in the Official Gazette.

The Law introduces extensive tax changes with a direct impact on the economic environment. Additional details on the tax measures included in the legislative proposal are available in the Tax Alert issued in [September](#).

Pachetul II de măsuri fiscale a trecut de CCR

Legea privind stabilirea unor măsuri de redresare și eficientizare a resurselor publice și pentru modificarea și completarea unor acte normative a primit unda verde de la Curtea Constituțională a României („CCR”) și va merge la promulgare.

CCR a respins miercuri, 10 decembrie, obiecția de neconstituționalitate a Legii privind măsurile de redresare și eficientizare a resurselor publice. În continuare, Legea va fi înaintată pentru promulgare către Președinte și ulterior publicată în Monitorul Oficial.

Legea aduce ample modificări fiscale, cu impact direct asupra mediului economic, pe care le puteți consulta în Tax Alert-ul publicat în luna [septembrie](#) pentru cele mai relevante aspecte fiscale incluse în propunerea legislativă.
