The Mazars Community, the new way for answering to your questions...

ONE-OFF ACCOUNTING ASSISTANCE

Temporary Assistance, Prolonged Impact

Are you facing any of the operational issues connected with your accounting department operation, such as:

- Unplanned absences of your staff?
- Transition of delegated competencies and specific know-how?
- Temporary increase in workload in your accounting department?

Are you experiencing accounting & tax operations changes resulting from your company restructuring or reorganization, such as:

- Reorganisation of your accounting department?
- Adjustment of the accounts to reflect retroactive impact of the operation?
- Need to control, measure and assess the impact and outcomes of the specific operation?

Whatever your current situation is, you are looking for an effective, fast and financially efficient solution to your problem. Looking for a partner supporting your core business with One-off accounting assistance and temporary outsourcing of your accounting and tax functions is an option to consider seriously.

Mazars One-Off Accounting and Support Services

Mazars has a corresponding solution to support your business – now. One-off accounting services to suit your needs:

- **rapid replacement** of your staff member to ensure seamless takeover of the functional responsibilities and tasks;
- **secondment of specialists** (in accounting, payroll or consolidation) to guarantee service continuity;
- **provision of a modular team** that can be adapted to your particular requirements.
