

Forvis Mazars @ MIPIM 2025

Palais des Festivals, Cannes: 11-14 March 2025

As society evolves, so too does the realm of real estate. The advent of technological innovation, evolving consumer behaviours, the pressing need for sustainability, and heightened competition for assets are reshaping the landscape of retail, residential, and office spaces. At Forvis Mazars, our deep insights and expert guidance enable you to navigate this transformed reality, allowing you to refine your strategy, enhance your performance, and maximise your returns on investment.

At Forvis Mazars, we provide expert financial advice and a comprehensive range of real estate services to developers, property owners, managers, occupants, asset managers, and investors across the globe. As the real estate sector navigates a phase of volatility and unprecedented transformation, our multidisciplinary team delivers the insights

and guidance necessary to secure long-term success and optimal profitability in this challenging environment. We prioritise understanding your unique needs and establishing a robust foundation that supports successful investments and strategic decision-making.
